

SCARF to attend Fun Games

SCARF's Energy Efficiency Advisors all provide **FREE**, impartial, and confidential advice and information to help you save fuel and your hard earned cash!

They can help you with advice on how to use your central heating, on fuel bill problems, damp and condensation, grants for insulation and central heating.

These advisors also give talks and presentations to Community Groups.

Irrespective of your income or whether you rent or own your home the Energy Efficiency Advisors can help.

Girlguiding Scotland

Everyone is raising money at the moment and Girlguiding Scotland is no exception. If you have any foreign money or out of circulation money (British or Foreign) that is sitting in a drawer at home Girlguiding Scotland can use it to help with their fund raising efforts. Also watch out later in the year for a Bag Pack event (end October) at your local Co-Op.

Please give any foreign coins or notes you have 'hanging around' to Dawn Tyson, Auld Kirk, Logie Coldstone – Thanks!
