Logie Coldstone Primary School held a Jumble Sale in Ballater at the end of October. It was well attended and raised a grand total of £463.73. Thanks to all for their support.

On the same day as the Jumble Sale was the Halloween Party - lots of tired parents at the end of that day I'll bet! But great fun was had by all - thanks to all who made it so. £55 profit was made for the community club. That night Ciaran Holland - Leader handed over a cheque for £130.85 raised on a sponsored walk to GlenDoll last summer, after his recovery from a car accident the previous year.

WELL DONE , CIARAN !!

Who Wants to be a Millionaire?

Eric and I entered the 'Who Wants to be a Millionaire' quiz on 23rd October and thoroughly enjoyed the evening. Not a big crowd but those that were there entered into the spirit of it all. Many thanks for the lovely cheese and wine and the teas and coffees, well done to the organisers. The prizes were very generous - no thousands of pounds but we won a bottle and chocolates! Hope we have lots more evenings like this! This event was very successful - raising over £100.00

Yoga Classes - On Tuesday evenings, 7 pm to 9 pm in the Hall restarting 11th January. We are really enjoying the classes for our Yoga practice. There are 6 of us now and our teacher is Judy from Aboyne. Lovely lady and is so patient with us! We have both beginners and those that have practiced Yoga in past years. Always on the look out for more members so if there is anyone in the area who would like to join us, please get in touch with the Community Centre, Aboyne (86222).

Community Survey

When the Newsletter began one of the things that the Hall Committee wanted to find out was what people in the Logie Coldstone parish really wanted from their Hall.

We've gone a long way to finding out what some of these things might be but to make sure that we keep going in the right direction a Community Survey has now been posted. If you have not got yours please let Mrs Joyce Lovie know - Tel. 81427. This survey has been funded by Communities Scotland and Marr Area Partnership.

Please take the time to fill it in - the hall redevelopment project is not just about the building - it is about the people who live in Logie Coldstone, their needs and aspirations. Ultimately we all want to make life a bit easier locally and we can only achieve that if we can plan for the future and we can only do that if we really know what everyone wants. So, please make sure to send your reply. It is not too late - **closing date extended to 31st December.**

All surveys returned with a name and address enclosed will be entered into a prize draw to win £20!

Thanks!

Thanks to those who have made some special donations recently:

- Astor of Hever Trust - donation of money to help us do our feasibility study
- Sam & Glynis Barnett for a filing cabinet
- Deeside Computers for the donation of a computer to help with the survey

Help very welcome!!

All practical help for the committee will be welcomed with open arms. What is needed is:-

Help with **inputting results of the survey** into a computer programme. Parents -ask your teenage children if they would like to help !! Contact Joyce (81427) or Anne (81539) if you have time to do this, soon after new year.

Help to **get news-letters into envelopes, addressed and posted.** Contact Anne (81539)

If you regularly check your e-mails **save postage on newsletters by sending your e-mail address to billyandannebraefoot@btinternet.com**

Last year's Games was so much fun we're thinking of doing it again in 2005. **We could only contemplate this if enough sponsorship could be found and enough help volunteered.** If you either helped last year and would be happy to do so again OR would have the time in 2005 to help please let any of the committee members know as soon as possible. It was great fun last year and maybe with a few improvements (easier quiz please!) it could be even better in 2005! **The committee are interested in all feedback on how you thought the games went** - so let them know.

Help to tidy up after events is so welcome. If we are to raise the money needed to redevelop the hall we will be having lots of events so the more we help to tidy up the more likely folk will want to organise something again !!

Maybe you would like to organise an event for hall funds-this could be as big or small as you want - a one off workshop or talk sharing an interest maybe - a whist drive - or a function - whatever you like. The committee are willing to help if and when they can. Got an idea: - please let any of the committee know so we can get together to discuss it sometime.
