

Do you have any historic photos of Logie Coldstone?

Fred Bull continues to hunt for historic photos of the local area to put on an exhibition for all to see in the Airedale Lounge possibly in mid August – if you have anything you think might fit the bill please contact **Fred on 80042** before the end of June.

Art comes to Logie

Apart from looking for historic photos of the area Fred Bull is taking an active part in Aboyne & Deeside Arts Festival this year. He will be hosting his very own Studio Exhibition – "Local Landscape in Oils" at Birken, Logie Coldstone on Friday July 22nd, Saturday July 23rd, and Sunday July 24th from 2pm to 6pm.

Waste Awareness Team

At the Games

Last year we had SCARF attending the Fun Day and giving us lots of hints about saving electricity by using power saving bulbs or adding insulation.

This year there will be a **Waste Awareness Information** caravan. They will have information on how to 'reduce, reuse, recycle' waste, real nappies and much more. You'll also be able to order a 'composter' from the caravan! Then, a month later, in August, the Waste Awareness Information Team will be returning to Logie Coldstone to hold a Compost Workshop on the evening of Wednesday 3rd August!

Children's Competition Your ideas for a better Hall

Two age groups: 5-9 years and 10 -14years
Prizes will be given at the Games for best ideas, both written and drawn as you wish on :-

- what you like about the hall just now
- what could make it even better.

Entries, with name, address and age on the back to Joyce Lovie, North Nib, Logie Coldstone by 30th June

Morven Walk

If you've not passed your sponsor money to Linda yet, please do so before 2nd July!

And if you weren't sponsored, maybe you might consider making a donation to the Hall Funds.

Fun Games **2nd July**

1.45pm – Towie Pipe Band to march from Sunnybrae to Games Park

2pm Games opened by Dr and Mrs Innes

Come along to

- ***lend a hand***
- ***take part in the sports***
- ***enjoy the stalls***
- ***have a cup of tea or a beer and something to eat***
- ***hear the Pipe Band***
- ***enjoy the company and watch what is happening***

The list of things you can have fun taking part in is huge this year and the only excuse for not taking part is because you are helping somewhere else on the day! There are loads of stalls to tempt you – teas, cake & candy, bottle stall, wheel of fortune, a quiz in the programme, sweetie tombola, face painting, bouncy castle, BBQ, lucky dip and of course the raffle and the ever popular beer tent! Our own local Pipe Band - Towie and District - will be opening and playing at the Games. There will also be loads of traditional races, including sprints and a cross country. You could also try summer curling, tug o' war, quoits, basketball shoot, beat the goalie, egg and spoon race, sack race, relay, skipping race, shot-put and more.

Entrance free: Programme £1

Would you like to help ?

Although there are a number of people already helping out on the day, the old adage of many hands making light work certainly will hold true.

Bob is planning to start putting up the various tents required from Thursday 30th June; the Rural Ladies will be calling on all members and helpers to prepare the teas on Saturday morning; the committee are arranging for each of the stalls to be manned and the barbecue to be cooking and the bar to be pouring and the raffle tickets to be selling and races to be running and ... well, they are all busy and would be delighted to receive offers of help!

Oh yes, if you are the local expert tablet maker I'm sure the cake and candy stall or the tea tent would be delighted to make your acquaintance! In fact if you are the local expert at anything that might make our day run smoother please do get in touch.
