LOGIE COLDSTONE

HALL NEWSLETTER

June '07

Badminton

Badminton group raised £65 for funds over the winter!
Thanks to all concerned

Duck Race

A grand total of £533 was raised from the various races and the name the duck! (May was the name if you've been wondering ever since what the duck was called!) Thanks to those who donated prize money back to funds. The soup and teas in the hall also did well raising £47 – exactly the same grand total of £580 as last year!

Logie Coldstone Primary School Assembly

Thursday 5th July - end of term assembly
7 pm in the hall
All welcome

Hall Bookings

If you have any events you would like to hold at the Hall, please call Mrs Evelyn Smith on 81401.

What's Happening with the Hall

LOGIE COLDSTONE PUBLIC HALL ASSOCIATION AGM

The final AGM of the Logie Coldstone Public Hall Association was held at the hall on 1st June 2007. It was well attended with all the current Trustees and most of the committee there.

As covered in the last Newsletter the Association is now very close to being wound up, just a few more signatures on various different documents are required.

In the meantime the new company is also very close to completion as far as setting up and transfer of assets is concerned. Again, as we've made clear earlier, the new company will operate in almost exactly the same way as the old Association and Trust and for most people the join will be seamless and you will see no difference in how things work.

If you were unable to attend the meeting but would like to see the accounts or the Chair's report of the year please contact either Jean or Anne, who will be happy to help you.

DONATIONS OF BOTTLES AND HOMEBAKING

WELCOME FOR THE FUN GAMES !

As mentioned above there will be no changes to the way things operate around the Hall and so you won't be surprised to read that we are well underway with plans for the Fun Games at the end of June. As ever requests for home baking (best to avoid fresh cream in the cakes since we have no way of keeping the baking completely cool on the day), bottles for the bottle stall (to Evie anytime please) and any other offers of assistance are required and hopefully everyone will be able to turn out and make the day as enjoyable as it was last year! See overleaf for the exciting poster to stick in your window or on your fridge so you don't forget this fun afternoon!

Morven Walk

On a not particularly great day only the hardy few turned out to complete the walk over the hill but the food and drink at the hall was a welcome treat on return and the sun came out in the late afternoon to raise everyone's spirits! This raised £140 profit (including a generous donation of £40 from Glynis).

Please give Jean or Dawn your sponsor money as soon as possible - before the end of the month would be great!

Don't forget there are regular groups and clubs using the hall every week – if you would like to join in, help or just find out what's going on in the Hall and generally in Logie Coldstone check the Notice Board outside the Airedale Lounge for information!
