### What's Happening with the Hall

#### **LOGIE COLDSTONE TRUST – Committee Gets Going**

Over the summer all the arrangements have been completed for the formation of the new company to own and operate the Logie Coldstone Hall on behalf of the community.

As we've mentioned before, for the majority of hall users and local residents, there should be no noticeable difference between the old Welfare Trust and the new Trust.

The weather conspired against us over the summer and our main fund raising event, the Fun Games had to be cancelled due to the field being repeatedly waterlogged. Of course just as much work goes into arranging something which doesn't happen as when things go to plan so huge thanks to Anne Mathers who worked so hard and along with other members of the committee had to make the tough decision to cancel, not just once but twice!

The Hall committee (or management team) now has a full compliment of members and meet regularly not only in committee meetings but also in a number of sub-groups, hopefully this will help not just with the day to day running of the hall but also with the long term future plans.

Names and contact details for all the Hall Committee are noted overleaf and also the sub-groups each committee member belongs to, which might make it easier to contact the relevant person if you have a query regarding the hall.

**Please join us for fun with refreshments at the Autumn Fair on Saturday 29<sup>th</sup> September between 10am and 1pm.**

#### **Autumn/Winter Events**

The Events Committee have been putting their thinking caps on and have come up with an interesting series of activities leading up to Christmas and Hogmanay, hopefully some things to get you out of the house on those dark evenings. Watch out for the Christmas Raffle (to be drawn on Hogmanay!) – some great prizes have already been promised.

**St Andrew's Night Evening  
Sat 24th Nov from 7.30 – midnight**

**Watch this space for further information about this event and others coming up in the future!**

## HALL NEWSLETTER

### SWRI

The Logie Coldstone SWRI continue with their regular meetings, usually the second Wednesday evening of the month, and have now published their calendar for the coming season. They have a number of interesting speakers including Moira Melrose from Balnastraid on kilt making; Mrs Merchant from Torphins to talk about the successful Craigmyle cheese and Helen Rowe, an Aberdeenshire Council Ranger to talk about Butterflies.

Contact Mrs Joyce Lovie (81427) or Mrs Helen Emslie (81449) for further information.

### Look Out for posters advertising other events – Halloween, Hogmanay!

Don't forget there are regular groups and clubs using the hall every week – if you would like to join in, help or just find out what's going on in the Hall and generally in Logie Coldstone check the Notice Board outside the Airedale Lounge for information!

### Regular Fun and Games needs Regular Helpers

Are you a 'fun' person? Do you like to play sports or make things? Might you enjoy the company of some of the local children and a parent or two on a Thursday evening for a couple of hours? If this sounds like it could be you then please call either Dawn Tyson or Lynda Forsyth (numbers below) because Logie Coldstone Youth Club Juniors and Seniors are looking for some help in order to keep the Youth Club going. In common with many voluntary organisations whilst the kids would come every day of the week if it was an option finding willing parents to come along and supervise them for an hour or two is much harder so we need to cast our net a little wider.

Disclosure Scotland checks are done on all volunteers helping with children but don't let that put you off!
