

### **The Duck Race**

Amazingly this year a brilliant sunny day for the Duck Race. Sadly this, along with the half-term holiday, meant numbers were down on the last few years but a wonderful time was had by all who attended.

The fund raising was boosted to over £500 by sausage rolls, scones and teas at the Hall and some donations from individuals.

### **Gardening**

We had a Weeding Session at the Hall which despite the very small number of people who came did have a noticeable effect on the appearance of the front of the hall. Thanks to Mike and Gillian Bird for keeping five members of the committee company and for working so hard!

### **Morven Walk**

The high wind forecast for the Morven Walk didn't deter everyone, although technically there was a postponement – So if you walked in the wind – Bravo! The rest of us spent the first Sunday of June walking over the hill and tucking into a feast back at the Hall! All sponsorship monies to Dawn at the Auld Kirk as soon as possible please!

**Face Painting** for the Fun Day – HELP!! Can anyone help with this please?

### **Seasons They are a Changin'**

Here comes Summer and the Fun Games are coming along at the end of June. At the start of July the new chalets will be opening to huge fanfare and hopefully before too much longer we'll know what's to happen with Logie Coldstone Primary School.

The next event is **The Fun Day** on Saturday 25th June. As always there will be lots to do both in preparing for the event, on the day and tidying up afterwards – if you think you can help in any way Please take a look at the advert on the other side of the newsletter to see what's happening on the day and if you see something that's just up your street why not call Anne Mathers (81359) or Brian Miller and offer to help!

**The Library Van** has had a change of driver and also is now only coming to the School Yard once a month – the most recent visit is Wednesday 15<sup>th</sup> June. The van is there from approximately 10.45 until 11.30(ish!) So if you want some Summer reading why not come along and see what's on offer, and don't forget if there's something specific you want to read you can order books from the Library Van too!

**The Opening of the Cairngorm Lodges** will take place at the Old Sawmill on Saturday 2<sup>nd</sup> July at 6pm with a fun evening of music and food. Bring your own food and cook it on the big BBQ, enjoy the music of The Smokin' Bert Cooper Band and a drink from the bar! There's parking and camping available at the Old Sawmill so come along and enjoy the fun!

Unfortunately, Logie Coldstone seems to have been highlighted on the radar of some thieves recently so this is an opportunity to remind you (and me!) to be just a little bit more aware of home security – remember to lock your doors, garages and cars – it can't hurt and might save you some dealings with the insurance company!

We're still muddling along trying to get the website functioning better but Joomla remains a mystery! So, just as with the Fun Day, if you are an expert or even just have some experience with this we'd love to hear from you and perhaps pick your brains for some guidance! **A NEAT Show** is once again planned for the Autumn – if you are at all interested in helping with the arrangements for this please contact Anne (81539) and she'll put you in touch with Emma!!

**PIPE BAND NEWS:** The table sale which the pipe band organised in May raised about £500.

The band, with many new young members, competed for the first time at Turriff last Sunday (5th June) and got a fourth prize. A sign that all the hard work is paying off.

The Band is planning a licensed Stovie Dance on Saturday 29th October in Logie Coldstone Hall.
