NEWSLETTER

Welcome,

Logie Coldstone Trust is a volunteer-run charity that looks after the hall and supports community activities.

The hall continues to be well used, with groups meeting for walking, badminton, crafts, gardening, reading, baby and toddler and rural/WI. The monthly community café is a good chance for folk of all ages to catch up, and it's always nice to see the school children taking part. We've secured funding again this year from the Communities Mental Health and Wellbeing Fund to offer many of our activities for free, making them accessible to everyone. As ever, the Trust extends its thanks to all of you who support community activities and contribute to making Logie Coldstone a good place to be.

Our School, Save Our Community

Logie Coldstone School is under threat—but we won't give up without a fight! Aberdeenshire Council wants to mothball it due to low numbers, but with a healthy number of preschoolers, our school has a future. Without it, families' focus will shift elsewhere, making it harder for parents to stay involved in local events, activities, and running our hall. Without a school, it's harder to attract families, jobs, and new housing. People move where schools are within reach, and losing ours would make it difficult for our community to thrive. Over time, this shift could weaken the heart of our village. A school is more than a building—it keeps our community alive. Join us in keeping our school open—our campaign is full of hope, and we need your support.

Keep an eye out for us on social media – find us on Instagram, Facebook, and TikTok. If you're not on social media, you can also reach us via email at lctrust2012@gmail.com

Event dates

Community Café, LC Hall

1st Friday of every month (except Jan.), 10am-12, at the hall

Morven Walk, Saturday 24th

May, meet at 10:30am at hall

Fun Games, Saturday 28th

June, opens 2pm, at park next to Airedale

Duck Race, TBC Sunday 24th

August, from 2pm, at the burn side near Cairngorm Lodges

Cromar Food Pop Up, Plans are afoot to have an all year round self serve pantry 'shed' at the hall.

2024/25 Logie Coldstone groups and activities

Logie Coldstone Walking to Health Group

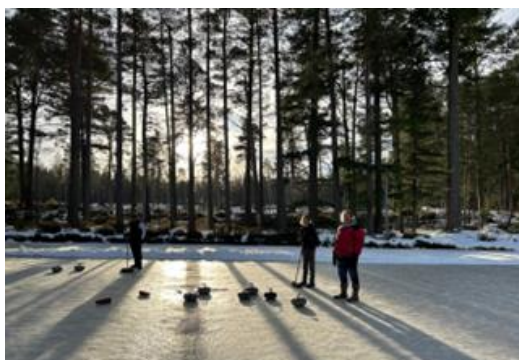

We are an amiable lot, who assemble at Logie Coldstone Hall at 1:30pm on a Thursday for a short walk around the local area or sometimes travelling further afield for a walk. Nowadays it is more an amble than a walk, but there is always plenty to talk about en route. The weary traveller needs sustenance; at the end of the walk, we retire to the hall for a fly cup and a fine piece. Contact: lctrust2012@gmail.com

Logie Coldstone Badminton

If you're looking to switch-up your usual fitness regime and get away from the gym, badminton can be a fantastic alternative. It provides a heart-racing workout, some great health benefits and can be played socially, as well as competitively. Badminton offers a whole host of benefits ranging from increasing life expectancy and mobility to promoting heart health and exercise for all ages and abilities. Enjoy a game of badminton - all welcome to come along. Players of all abilities are made very welcome at this friendly, social and slightly competitive club. 8pm till 10pm on Wednesday evening (unless 2nd Wednesday of the month, in which case Tuesday) Contact **Hitesh Mitchell-Mehta, 07801 432093**

Logie Coldstone Curling Club & 100 Club Prize Draw

The Logie Coldstone Curling Club is more than just a winter activity – we have events all year round, now with the convenience of our newly installed composting toilet. To help maintain our historic hut and fund electrical upgrades, we're pleased to bring back our 100 Club Prize Draw. For just £24 a year (only £2 a month), you can buy a number and be in with a chance of winning one of three prizes each month, plus bigger prizes at Christmas. The first draw was on March 31st, and draws will continue monthly until February 2026. There are still numbers available, so contact Brian Cockburn to get yours! Club Membership is also available, with individual memberships at £20 and family memberships at £35. Your membership helps keep curling alive in our community.

For more information or to sign up, contact **Brian Cockburn, 013398 80027** or bri.cat1@binternet.com. We look forward to seeing you at the club!

Logie Coldstone Community Café

Our Community Cafe is a great place to meet and make friends and catch up with what is happening in the village. It is lovely to see the toddlers enjoying the hall. Regular visits and entertainment by the school children bring a smile to us all. The Cafe runs the first Friday of the month - 10 am to 12 noon. All are welcome. We have an amazing group of volunteers who give of their time to set up, provide great bakes and run the cafe - thank you all for your hard work! (New volunteers always welcome - contact **Pat Turner 07547867531**).

Logie Coldstone Craft Group

Logie Coldstone Craft Group meets at the hall, fortnightly on a Tuesday from 9:30am to 11:30am, throughout the year including school holidays. It is a very informal group and everyone is welcome (all ages and genders), including children & visiting friends or parents. Little people are welcome to play with the Toddler Group toys. We always have a fly cup and a chat. People usually bring along something to

work on, but its perfectly ok to just come along for the chat. Projects can range from knitting, crocheting, darning, sorting out beads, making greeting cards or even getting on with some paperwork that you've been putting off. Thanks to the wonderful grant funding, there is no cost for meetings in 2025 but donations to the LC Trust are very welcome. Normally we pay £2 per person. Future dates 15 April, 29 April, 13 May, 27 May etc. If you have any queries, please contact **Rachel** on pmather@dialstart.net. Feel free to just turn up - we look forward to seeing some new faces.

Bright and cheery

Thanks to June and helpers at the old shop / PO for keeping the area around the old kirk and shop looking bright, cheery and looked after.

Logie Coldstone Scottish Women's Institute 'the rural'

We are a small, friendly group of ladies meeting on the second Wednesday of the month (Sept-May) at 7.30pm in the hall. Members, non-members, occasional or frequent visitors are warmly welcomed. Our institute here in Logie Coldstone started in 1920 and we continue to come together to share and learn, taking an informal approach to our meetings (no SWI competitions!), with guest speakers, new activities, and open evenings where we see a good mix of ages and gender balance. Delicious fly cups are a regular feature at our events and meetings. Bring £2 to cover refreshments and a ticket for the small raffle where the chance of winning is always favourable.

Here's what we've been up to the last while...

A June outing to the King's residence, Birkhall, was much enjoyed by our group, who were given a tour around by the two ladies who look after the gardens and arboretum. We heard about the aim to draw in pollinators, the special Wendy house and the famous lime tree where Queen Victoria greeted Florence Nightingale. A very special day indeed, rounded off by lunch at Orka in Ballater.

After a break for summer, we were treated to a fascinating evening in September, learning about Japanese artifacts—Netsuke—carved figurines used to adorn the kimono cords of men in Japan since the 17th century. SWI member Gill kindly shared with us her wonderful collection of intricate, quirky and beautiful netsuke—thank you Gill for this excellent session!

In October Natasha from Gathering Nature shared with us her journey as forager and medicinal herbalist, and how our microbiome can benefit from this type of diet. A very interesting topic and we enjoyed sampling foraged foods including pickled birch leaves and berries - superb!

Our food theme continued in November with Mike and Lucy from The Spice Route cooking up a delicious Rajasthani Dal Banjara in the hall while explaining the ingredients used and demonstrating the cooking techniques. Everyone enjoyed the food and learning from Mike and Lucy's expertise gained during their time working and living overseas.

Rachel led the ladies in a cosy Christmas craft session for our December gathering to round up 2024. The ladies took up the Japanese art of Sashiko—stitchwork with origins in clothes mending. Sashiko was used to create festive felt baubles that look delightful on the hall's Christmas tree.

Sadly, our January meeting had to be cancelled due to the icy road conditions at the time. So, we bade *Fareweel to our plans for a mini-Burns Night, and though our supper was scuppered, we'll plan for this next January.*

In February Simon Ritchie gave an excellent talk on the conservation and impressive biodiversity of Muir of Dinnet National Nature Reserve, including a short film on the Muir through the seasons. It was fascinating to hear about Simon's work looking after a wealth of wonderful habitats here on our doorstep.

The following week a few of our members went over to Ballater SWI to welcome Diane Cooper, CEO of Scottish Women's Institutes who talked about the past, present and future of the SWI.

In March, we got sporty in the hall with indoor curling and soft archery—the aim of which was fun for all—and we uncovered some real talent! The games were, as ever, followed by a delicious spread and a raffle where everyone was a winner.

We are planning for events ahead – do get in touch with Kathleen, Rachel or Jude if there's a topic or speaker you would like to see SWI host at the hall – we will see what we can do!

Find us on Facebook: <https://www.facebook.com/logiecoldstoneswi>

Logie Coldstone Senior Citizens Christmas Meal

A Great night was had at the Airedale in November. Thank you, Emma & Daniel for a lovely Christmas meal and a steady flow of refreshments. Thank you to the community for buying raffles to help raise some funds for the party, £170 was raised and Rhoda Ross bought the winning tickets. Gillian Masson & The Paper Shop team asked us along to help at the annual Bring a Party to a Party in Tarland where they kindly donated £108.10 from their funds to the Logie Coldstone Senior Citizens. We will hold our 2025 meal at the Airedale in November. If anyone is of a pensionable age in the Logie Coldstone area and would like an invite, please get in touch with **Kathleen on 07786945199**. Thank you for your continued support, Glynis & Kathleen.

Logie Coldstone Paths Recce. Group

Following on from last years initial exploration for potential off road path routes between Logie Coldstone and both Tarland and Dinnet, we received estimated costs of £715k to develop a path to Tarland. Given the high cost and other priorities, we are not pursuing the project at this time. However, 'Sherpa Trev' has continued to lead us not into temptation on Sunday mornings but on some beautiful walks with wit, wisdom and wine! We meet at the hall at 10am most Sunday mornings. Contact: lctrust2012@gmail.com

Logie Coldstone Gardening Group

We are a small group of enthusiastic folk, age 1 to 80. We aim to meet in the hall, 2nd Sunday of every month 10.00am until 12.00. Everyone is welcome, it is free, and we are delighted to welcome new Logie Coldstone residents.

Normally there are 5 or 6 of us, and we like to dedicate some hardy 'study and discussion' to any range of topics (sometimes including gardening), but always accompanied by beverages and a fine piece, before we look out the window to decide what to do, weather permitting .

So please pop along, even if only to say hello. Spectating and moral support is very welcome too. Gardening can be amazingly relaxing, (to watch and to do) good fun if in company, and we are helping keep the hall look welcoming. Please email **lctrust2012@gmail.com** if you would like any more information, or be added to an email group. We post on FB when we are meeting, but we aim for every 2nd Sunday. Hope to greet you soon.

Logie Coldstone School in the 90s

Thanks to Sandy and Hazel Moncur for providing the photograph. Do you recognize any of the faces?

Logie Coldstone Baby and Toddler Group

Logie Coldstone Toddlers is a small and friendly group for toddlers, babies and their carers, meeting on Friday mornings 10am-12pm in Logie Coldstone hall. We have craft activities, a nursery rhyme sack, lots of toys, including ride-ons and plenty of space to move around in. Once a month our session happily coincides with the community café. During the session we provide snacks for the tots and a cuppa for the adults. New faces are always welcome, so please come by! No parental rota, all attendees just help. Check out our **Facebook page; search for Logie Coldstone Toddlers.**

In the last few months the toddlers enjoyed decorating festive ceramic ornaments and baubles, a visit from Santa at their Christmas Party, making valentines pizzas for snack, decorating lots of gingerbread people, crafting and playing!

Logie Coldstone Reading Group (ELSIE)

Elsie is a very informal, friendly reading group - we meet every six weeks or so in the upstairs room of the Coldstone Hall. Selection for books is made from Aberdeenshire Libraries Reading Group collection. We are currently reading *The Spice Box Letters* by Eve Maki's. Other books enjoyed this year are: *Black cake* by Charmaine Wilkerson; *Island Wife* by Judy Fairbairns and *Sal* by Mick Kitson. New members always welcome. We enjoy the chance for a natter - not just about the books we read. Contact **Pat** on **07547857531** if you'd like more details.

Logie Coldstone School - Term 4 2024 – Term 3 2025

In April 2024, many pupils and some staff and parents enjoyed taking part in Run Balmoral. Pupils ran in the 1.5km event, Miss Taylor and Miss Andrusyszyn did the 5km and Mrs Currie took part in both the 5km and 10km. Pupils and staff were joined in the races by Mrs Currie's daughter, Lily, who is a much-loved friend to both pupils and staff and who for a long time was a helper in school. Also in April, pupils had a fabulous time on a visit to Aberdeen Science Centre, where they loved exploring all the amazing and awe-inspiring interactive exhibits.

In May, P6 and P7 pupils took part in the Bikeability cycle training programme, led by Mrs Currie. All pupils passed with flying colours and Mrs June Andrew, who is in charge of cycling training in Aberdeenshire, said the pupils' cycling in their assessment was of an excellent standard. Thank you to Mrs Currie for all the brilliant work she has done teaching Logie Coldstone pupils, present and past!

Also in May, pupils raised money for the local charity, Aberdeen Cyrenians. They did this by making and selling bookmarks with messages to promote kindness. Aberdeen Cyrenians uploaded a photograph of the pupils' bookmarks on their website and called the pupils 'kindness champions'.

At the end of June, pupils and staff were delighted to find that the school had achieved the Scottish Book Trust's Silver Reading Schools Award. Reading Schools is a Scottish Book Trust accreditation programme to help schools build and sustain a reading culture. P7 pupils organised and led 'celebration of reading' assemblies, themed reading clubs, outdoor reading sessions in our willow structure, fun reading activities such as book quizzes, book speed dating (very popular) and a whole school booknic (reading picnic).

At the end of the summer term, pupils and staff were all very sad to say farewell to our P7 leavers: Dougal, Leon, Millie, Rosie and Skye. They were outstanding contributors in all aspects of school life and left us all with lots of fun and wonderful memories of their time at Logie Coldstone School!

In the autumn term, pupils celebrated Fairtrade Fortnight and 30 years of the Fairtrade Mark – it was also, coincidentally, 30 years ago that the present school building was erected! Pupils had a fortnight of celebrations. This included: putting up displays around school to promote Fairtrade, a football event with a Fairtrade football, baking with Fairtrade ingredients, Fairtrade chalk art in the playground, creating games to raise funds for the Fairtrade Foundation, organising and holding a Fairtrade open afternoon with a Fairtrade café to promote Fairtrade in the local community.

Thank you to everyone who attended for helping us raise £95 for the Fairtrade community!

In November, pupils did research on some of the soldiers whose names are on the war memorial. They also held a Remembrance Day assembly at Logie Coldstone war memorial. This year, they sang at the memorial 'Last Night I Had the Strangest Dream' written by the folksinger Ed McCurdy. Pupils and staff from Logie Coldstone School have walked over to the war memorial to pay their respects and lay a wreath every year since November 1920. A newspaper from November 1920 states:

“A few minutes before 11, pupils of Logie Coldstone School and their teachers marched to the war memorial and formed around it. They observed 2 minutes silence. Two of the pupils, whose brothers had fallen in the war, laid a wreath on the base of the memorial. On the wreath was the inscription:

“To the glorious memory of those who fell, August 1914 – November 1918. Lest we forget.”

This inscription was written on this year’s wreath.

In December, pupils were, as always, delighted to be invited to the Christmas Community Café, where they sang Christmas songs and carols. The pupils are always made to feel so welcome. An enormous thank you to everyone for all the care and attention to detail that is put into setting up a Christmas table for pupils and providing amazing refreshments! In the last week of term, school had a Christmas assembly where pupils did Christmas readings and sang carols and presented work on Advent and showing compassion to others at Christmas time. Pupils also read an imaginary letter from soldiers in the trenches on Christmas Day 1914, describing the Christmas truces of 1914.

Logie Coldstone School - Term 4 2024 – Term 3 2025

At the end of January, school held a Burns celebration. Pupils shared facts about Robert Burns, recited poems and sang songs. Songs sung were: 'My Love is Like a Red, Red Rose', 'Ca' the Yowes', 'Green Grow the Rashers, O' and 'Auld Lang Syne'. Pupils chose some personally challenging poems to recite and all did extremely well! Staff were very proud of all pupils' efforts! At the end of our Burns celebration, pupils, parents and staff were sad to say goodbye to Miss Taylor, who had taught at the school for seven years. Miss Taylor left to take up a teaching post at Aboyne Academy and P7 pupils are looking forward to seeing Miss Taylor again there. Although everyone was sad to see Miss Taylor go, we are all happy to welcome Mrs McKay to the school as a new teacher.

In term 3, pupils have enjoyed having Kodaly music lessons with Helen Malone and rugby lessons with Finlay Hall from Deeside Rugby. Pupils and staff also welcomed Katie and Nik Millott (Alice's and Finn's mum and dad) into school to help us do maintenance work on the willow structure that they so kindly created for the school. For World Book Day, pupils and staff were delighted to have Sylvia Anderson (Felicity's and Callum's mum) visit to do storytelling once again with all the pupils. A great deal of fun was had by pupils!

In the last week of term 3, school held a 'Welcome to Mars' open afternoon. Les Ellis and Ken from Cromar Future Group were there to recruit colonists and tourists for Mars. Pupils and members of the community were put through a series of recruitment tests. They also got to try astronaut ice cream.

Morven Walk 2024

Walkers were treated to fine clear views for the annual Morven walk, topped off by enjoyable delicacies from the fish and chip van at the hall.

Fun Games 2024

Fun for all ages was the order of the day at the annual Logie Coldstone Fun Games. We were honoured to have the terrific trio of Hazel, Evelyn and June raise the flag at the games. Congratulations to trophy winners Neve, Alice and George. Thanks to everyone who took part and who helped set up, tidy up and on the day.

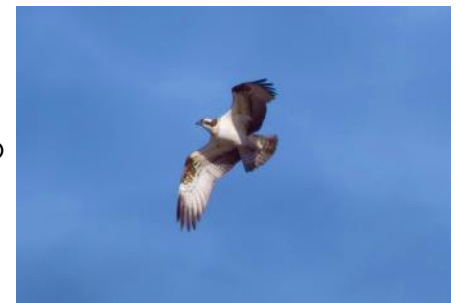

Burns Supper 2025

Logie Coldstone celebrated the life, poetry, music and songs of our national bard, Robert Burns, with our usual smeddum. This years sold out event was hosted by the Airedale where guests tucked into delicious haggis, neeps and tatties with the haggis being piped in by Katrina Lovie. Rebecca van Heusden said grace and Sandy Moncur compered the evening with his usual flair while Emma and Daniel and team kept the drinks flowing. We think Robert Burns would have been in his element!

NatureScot Muir of Dinnet National Nature Reserve

It's all go here at Muir of Dinnet National Nature Reserve! We are gearing up for busier and (hopefully) sunnier months, its technically spring but you wouldn't know that with the current temperatures! Much of our summer visitors have arrived now; Willow Warbler, Blackcap, Osprey, Common Sandpiper and Tree Pipit have all arrived from Africa in recent weeks. The fresh green leaves of the birch trees are appearing, the Adders are basking and our wildflowers have been popping up from their winter dormancy. Many bird species are starting to breed, and some females from our nationally important Goldeneye population have started to incubate eggs. We shall expect the first young Goldeneye ducklings on Loch Kinord and Loch Davan in the coming weeks!

We will be publishing our new management plan for Muir of Dinnet National Nature Reserve 2024 – 2034 in the coming months. This plan will be going to public consultation, so please look out for that on our facebook page and have your say on our new management plan.

As ever, we will be running a host of events throughout the year, keep your eyes peeled and book on any that take your fancy. They can be found advertised on our facebook page 'Muir of Dinnet National Nature Reserve' or by emailing Muir_Dinnet@nature.scot

I am always keen to chat to local folk, so if you are ever passing the Burn O' Vat Visitor Centre, feel free to pop-by for a chat! Hopefully I shall catch up with some of you in the coming months. All the best!

Simon Ritchie

NatureScot Nature Reserve Manager – Muir of Dinnet National Nature Reserve
Simon.Ritchie@nature.scot

Photographs above are: 1 Adder; 2 Kentish Glory Moth and 3 Osprey

Field Names Project

In September 2024, The Cromar History Group began cataloguing local field names. Traditional field names have been used within farming families, as a way of specifying locations on their own farm. Unfortunately, these names are in danger of being lost. To try and preserve this rich local history, farmers were interviewed and their field names were added to an online geographic information system called QGIS. This information can be accessed by anyone by searching for QGIS Cloud Cromar Fields. Pictured is a small sample of fields around Netherton and Corrachree, on the edge of Logie Coldstone. Many thanks to John Rogie for his invaluable contribution to this part of the project. If you would like to include the names of more farms in Logie Coldstone, please contact **Sandra** at sandravanheusden@outlook.com

Map showing named fields as described in the numbered list below.

Based on QGIS Cloud Cromar Fields webpage.

Field Names

1. Side of Avenue – named as it is at the side of the avenue leading to Corrachree
 2. Pond Park – adjacent to Corrachree Pond
 3. Pond Road Bittie – a small strip of land adjacent to Pond Road
- The line of parks from 4 to 8 on the map are collectively known as Strath Parks:
4. The Dipper – there used to be a sheep dip here
 5. Brig Park or 5 Acre Park – Brig Park because of its proximity to the road bridge over a culvert; the Five Acre because of the size of the field
 6. The Strath Park – previously let out by the owners of Corrachree for grass; name based on the topography
 7. Dorsincilly – named after the farmer from Dorsincilly near Ballater, who used the field for grazing from the late 1970's
 8. Isa Hurrie – named after the lady who lived in a house in the corner of the field and who lived to be over one hundred years old
 9. Roadside Park – named due to the proximity to Burnside Road
 10. Free Kirk Bittie – a small parcel of land adjacent to the old Free Kirk
 11. The Glebe – again derived from proximity to the old Kirk
 12. Burnside Park – due to proximity to the Burn
 13. The Island – a small piece of land where there was previously a burn and ditch creating an island in between
 14. Park doon below the hooses – self-explanatory; filed down from Netherton Farmhouse
 15. Jocky Dandy – named after man who lived in a croft in corner of the field; he had a beard and smoked a clay pipe
 16. Scrap Yard Park = part of this field is where old farm machinery, carts etc are piled up for scrap
 17. Doll's Hoose – named after the old cottage at Walkmill, which looked like a dolls house before it was rebuilt
 18. The Steep Een – due to the incline in the park
 19. Mill o' Hole – next to the ruined mill of Corrachree
 20. Back of Avenue – behind the Avenue leading to Corrachree
 21. The Craw Wid or The Square Belt – Craw wood after the crows that nest in the strip of woodland and Square Belt because of the square shape and shelter belt of trees
 22. The Square Belt Park – as above
 23. Park atween the Roads – self-explanatory
 24. Far oot park – due to distance from Netherton; site of Newton Croft – shown as Newseat on 1867 OS maps; this field is also known as the Park opposite the Gariochs
 25. The Muir – origin of name unknown, but probably because of poor quality of ground
 26. The Park across the Road – directly opposite Netherton Farm House
 27. Front Park – in front of Corrachree House
 28. South Park – south of Corrachree House
 29. Standing Stone Park = site of Corrachree Pictish Stone
 30. Steading Park – in front of farm steading
 31. Three Acre Park – from its size

Bluebell Sounds and Therapies

Bluebell Sounds and Therapies regularly has Sound Baths in Logie Coldstone Community Hall on a Sunday evening (other times available by request).

Sylvia who owns Bluebell Sounds and Therapies, got into sound therapies after falling off her horse and fracturing her spine 3 years ago. She found that they helped relieve her pain and kept her feeling positive at a difficult time. She decided to learn and share the techniques of giving sound baths using Tibetan Singing Bowls and other instruments. The sounds are gentle and calming and are for everyone of all genders and ages. This has been very helpful for many people who attend her sessions. Benefits include:- reducing all types of pain, reducing anxiety, improving sleep, reducing stress systems within the body, improving immunity, reducing high blood pressure, improved breathing and detoxifying the body. She is also an Emmett and Kinetic Chain Release Therapist and enjoys combining these techniques to aid relaxation and improve breathing at her Sound Baths.

If you are interested in any of these techniques or booking on to a sound bath, please see her website www.bluebell-sounds.co.uk or phone **Sylvia 07941401010**.

Deeside Willow

Deeside Willow are a growing family business working out of their smallholding based here in Logie Coldstone. They fell in love with growing willow over a decade ago after experimenting with a small number of varieties and quickly discovering the amazing versatility of willow, and the positive effects it's cultivation and use can have on both people and planet.

Growing over 65 varieties of willow, Deeside Willow's purpose is to support others to be 'growers' and 'makers' through offerings of living willow, craft willow, willow foliage and catkins for floristry. When not busy in the willow patch, they can be found teaching at community events or in their workshop making crafts for commissions or upcoming local producers' markets.

Check out their website for more information on upcoming workshops: www.deesidewillow.com

The Airedale

Emma and Daniel give a warm welcome at the The Airedale, open Wednesday – Sunday. Food served, takeaway meals available for collection, open mic night on a Friday, Sunday Roast every Sunday and look out for their summer schedule of Saturday night entertainment. Further details on <https://www.facebook.com/people/The-Airedale/61565440753319/?rdr> or 07454 792680.

Coldstone through the years

Thanks to Jim Craigmile for providing photographs.
